Athletes, Game Officials, Spectators Recommendations at Athletic Events

• **STAY HOME IF YOU ARE SICK**

- No spectator, official, or athlete should attend an athletic event if they are sick. Please refer to the COVID-19 symptoms daily checklist found at the end of this document for a self-assessment of whether or not you should be attending any social gathering.

• **SOCIAL DISTANCE**

- The R6 School District recommends that spectators sit with immediate family members and maintain a social distance of at least six feet at all times from other spectators whenever possible.

• **WASH/SANITIZE YOUR HANDS THOROUGHLY AND FREQUENTLY**

- The R6 School District recommends that athletes, officials, and spectators wash and sanitize their hands frequently. Additional hand sanitizer stations will be available at most athletic and extra-curricular events to assist you with this process.

• **WEAR A MASK THAT COVERS YOUR NOSE AND MOUTH ANY TIME YOU CANNOT SOCIAL DISTANCE**

- The R6 School District recommends that everyone wear a mask that covers your nose and mouth any time you are not able to maintain six feet of social distancing between yourself and other spectators at an athletic or extra-curricular event.

• **COUGH/SNEEZE INTO A TISSUE OR THE ELBOW OF YOUR SLEEVE**

- If you use a tissue, throw the tissue into the trash immediately. Also, remember to wash your hands immediately after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use an alcohol-based hand sanitizer.
